Ghulam Raza Khan's estate, Muzaffarnagar district.—This estate, which was owned by Ghulam Abbas, Musa Raza, Hasan Raza, Musammát Banno Begam, and Musammat Sultani Begam, minors, and Musammat Akbari Begam, widow of the late Ghulam Raza Khan, consisted of shares in eleven revenue-paying villages in Muzaffarnagar and seven revenue-paying mahâls and shares in four villages and two revenue-free milks in Purneah. The estate also possessed certain moveable property in Muzaffarnagar and Bengal. The Muzaffarnagar portion of the estate was placed under the management of the Collector by order of the Civil Court, dated 13th April, 1881; and Musammat Akbari Begam was declared disqualified under clause *(g)*, section 194, Act XIX of 1873, by G. O. No. 1518, dated 26th August, 1882. The property in Bengal

was managed entirely by the Board of Revenue, Lower Provinces, the surplus profits only being remitted to the Collector of Muzaffarnagar. The rental of the entire estate was Rs. 28,578, and the Government demand for revenue and cesses Rs. 13,695. The debts due from the estate when superintendence was assumed amounted to Rs. 26,784. These debts were paid during the Court's management. No improvements were undertaken as the estate was too heavily involved in debt. The property was released from the Court's superintendence on 1st December, 1887, when the Judge of Sahâranpur revoked his order of 13th April, 1881, and granted Ghulam Abbas a certificate of administration of the property of his minor brothers and sisters. At the time of release the estate had to its credit a cash balance of Rs. 509-10-0, which was duly handed over to Ghulam Abbas.

Malhajani estate, Etâwah district.—This estate, which consisted of eight villages in Etâwah, was taken under the management of the Court of Wards on 4th November, 1867. It belonged to Râja Prabal Pratap Singh, a minor. When superintendence was assumed the debts due from the estate amounted to Rs. 23,902. These debts were paid in full. During the Court's management Rs. 3,170 were spent on construction of wells, &c., and three villages were purchased for Rs. 7,742. The ward having attained his majority on 8th August, 1888, the estate was released from management on 1st October, 1888. At the time of release the income of the property was Rs. 16,961, and the Government demand for land revenue and cesses Rs. 6,832. The ward has received a fair education.

Uncha estate, Etâwah district.—This estate which is composed of six whole villages, and shares in seven others, was owned by Jaswant Singh and Baldeo Singh who were, on their own application, declared disqualified under clause *(g)*, section 194, Act XIX of 1873, from managing their estate, by G. O. No. 733, dated 2nd May, 1877. The income of the property was Rs. 10,541, and the Government demand for revenue and cesses Rs. 5,425. When charge was assumed the estate was indebted to the extent of Rs. 28,000. Owing to difficulties which arose in the management no more than Rs. 12,000 could be paid off during the 10 years of management by the Court of Wards. Baldeo Singh, one of the wards, died in October, 1887, and was succeeded by his son Lachman Singh, an adult. As there was no provision in the existing arrangements with the creditors of the estate to prevent its release, and as they had no objection to the estate being restored to its owners who, on their part, were anxious to assume charge of it, the sanction of Government was requested to the withdrawal of the declaration of disqualification, and the estate was by G. O. No. $\frac{272}{\text{I.—329A}}$, of 28th February, 1888, released from management on 12th April, 1888.

Munawar Ali Khan's estate, Moradabad district.—This estate was taken under the management of the Court of Wards on 5th March, 1862. It consisted of four whole villages and shares in 12 others, and was owned by Munawar Ali Khan, lunatic, a descendant of the Nawâb Amir-ud-daula, a man of rank and power in the reigns of Bahadur and Muhammad Shah. When Rohilkhand was ceded to the British Government a pension of Rs. 2,500 per annum, held by the descendants of the Nawâb, was continued to them under section 2, Regulation XXIV of 1803, by G. O. of 28th March, 1805. Of this pension the lunatic ward inherited Rs. 408 per annum. By the death of his uncle, Masum Ali Khan, in November, 1877, the lunatic ward also inherited 16 revenue-paying and revenue-free villages in the districts of Bulandshahr and Moradabad. In 1883-84, however, Musammat Kundan Begam, widow of the late Masum Ali Khan, obtained a decree from the High Court for Rs. 21,500 on account of her dower money against that portion of the estate which the lunatic ward had inherited from his uncle, Masum Ali Khan. In satisfaction of this decree, Musammat Kundan Begam got a portion of the estate sold for Rs. 14,580 and Rs. 2,750 were paid to her out of the surplus funds of the estate, leaving a balance of Rs. 4,170 still due to her. On 5th November, 1885, Munawar Ali Khan, the lunatic ward, died, and as several claimants applied to be declared heir to the estate, the civil court decided that the property should provisionally be handed over to Musammat Kamr-un-nisa, the widow of the deceased ward,

who was directed to find security to the extent of the cash surrendered and one year's profits of all the villages. The Board accordingly sanctioned the release of the estate which was made over to the lady on 10th September 1888. The debts due from the estate at the time of assumption of charge amounted to Rs. 37,840, which were paid in full, with the exception of the sum of Rs. 4,170 due to Musammat Kundan Begam. Rs. 9,395 were expended on construction of wells and shops. At the time of release the property comprised 10 whole villages and shares in 12 others. The income was Rs. 18,806 and the Government demand for revenue and cesses Rs. 7,510.

Sahaswan estate, Budaun district.—This small estate, belonging to Bhupal and Tikaram, minors, was placed under the management of the Collector under Act XL of 1858 by order of the Civil Court dated 22nd December, 1881. It was composed of shares in two villages, a garden, houses, and shops. The shares owned by the minors in the villages were portions of an undivided estate and the Court of Wards received their net profits of Rs. 257 per annum from the lambardár. The debts due from the estate when charge was assumed amounted to Rs. 174, while, on the other hand, about Rs. 5,929 were due to the estate. The debts due from the estate were paid off during the Court's management. The property was released on 3rd December, 1887, and handed over to Bhupal, the senior ward, by order of the Civil Court, dated 13th September, 1887. At the time of release the estate had Rs. 5,000 invested in Government Promissory Notes.

Biharipur estate, Sháhjahánpur district.—Was made over to the Collector for management by order of the Civil Court, dated 21st November, 1883. It consisted of two whole villages and shares in two others, including also a house valued at Rs. 170. When superintendence was assumed the property was indebted to the extent of Rs. 1,927. This sum was paid off during the Court's supervision. As the estate was in debt no improvements were attempted. The property was released from the Court of Wards' management in March, 1888, when the proprietor attained his majority.

Pankigangaganj estate, Cawnpore district.—This estate, comprising a half share in a village, was the property of Rája Dhiraj Singh, the representative of a branch of the Sheorajpur Chandels in the Cawnpore district. At the time when the district came under the British rule the estate held some 42 villages; but all these, except half the village of Paukigangaganj, gradually alienated either by auction or private sale to meet the Rája's liabilities. The share in the remaining village left to Rája Dhiraj Singh was about to be sold in execution of a decree for debts incurred by his predecessors, when the Government came to his aid and in January, 1874, sanctioned a State loan of Rs. 9,500 at 5 per cent. interest, repayable within 20 years, on condition that the property should be mortgaged to Government as security for repayment. Subsequently the estate was brought under the management of the Court of Wards and the Rája was declared disqualified under clause (*g*), section 194, Act XIX of 1873, by G. O. No. 122 of 25th January, 1877. The income of the property for 1886-87 was Rs. 4,026 and the Government demand for land revenue and cesses Rs. 1,568. As the State loan was paid in full during the year, the sanction of Government was solicited to the removal of the disqualification passed upon the Rája, and the estate was under G. O. No. $\frac{1343}{I-436A}$, dated 14th September, 1888, released from management on 30th September, 1888.

Akbarpur Sen estate, Cawnpore district.—This estate, consisting of eight villages, belonged to Takht Singh, minor, and was taken under management under clause (*b*), section 194, Act XIX of 1873, on 16th March, 1875. The income of the property in 1874-75 was Rs. 8,141, and the Government demand for land revenue and cesses amounted to Rs. 5,500. The debts due from the estate when charge was assumed amounted to Rs. 16,480. In order to pay off these debts, a village belonging to the estate was sold for Rs. 25,100. During the Court's management, three wells were constructed at a cost of Rs. 3,571, and Rs. 274 were expended on arboriculture. The ward attained his majority on 15th January, 1888, when the estate was released from management free from debts. Government Promissory Notes and Railway debentures, of the value of Rs. 9,000, were handed over to the proprietor. The income for 1886-87 was Rs. 7,829 and the Government demand for revenue and cesses Rs. 4,754.

Bari Mehtan estate, Cawnpore district.—A brief history of this estate was given at page VI of the report for 1886-87. The estate was released on 15th November, 1887.

Karwi estate, Banda district.—This estate, consisting of five whole villages and shares in four others, was owned by Rao Balwant Rao who was declared disqualified from managing his property under clause (*g*), section 194, Act XIX of 1873 by G. O. No. 1045, dated 6th May, 1879. When superintendence was assumed the debts due from the estate amounted to Rs. 25,965. To liquidate a portion of these debts on which interest at Rs. 12 per cent. was being paid, Government in the G. O. referred to above, sanctioned a loan of Rs. 13,000 at 6 per cent. This amount was paid in full, and as the proprietor was desirous that the property, which was freed from debts during the year under report, should be handed over to him, it was under G. O, No. $\frac{1348}{1.-295A.}$, dated 17th September, 1888, released from management on 30th September, 1888. At the time of release the income of the property was Rs. 24,271, and the Government demand for revenue and cesses Rs. 12,716, as compared with an income of Rs. 22,446 and a demand of Rs. 12,402 at the time of assumption of charge.

Musammat Masud Bibi's estate, Banda district.—This estate comprised two villages belonging to Musammat Masud Bibi, who was, at her own request, disqualified from managing her property under clause (*g*), section 194, Act XIX of 1873, by G. O. No. 482 of 2nd April, 1881. When charge was assumed the estate was indebted to the extent of Rs. 2,874. This sum was paid in full during the Court's superintendence. Owing to the indebtedness of the estate no improvements were undertaken, but the rent-roll of the estate rose through careful management from Rs. 1,100 in 1881 to Rs. 1,244 in 1888. The property was (*vide* G. O. No. $\frac{1165}{1-410A}$, dated 10th August, 1888) released from the Court's management at Musammat Masud Bibi's own request.

Gopal Das' estate, Gorakhpur district.—This estate belonging to Gopal Das minor was made over to the Collector for management under Act XL of 1858, by order of the Judge, dated 29th September, 1882. The property comprised shares in two revenue-free villages, four houses and shares in eight groves. The income was Rs. 430, and the Government demand for revenue and cesses Rs. 100. When superintendence was assumed the debts due from the estate amounted to Rs. 1,213, and, on the other hand, the estate had Rs. 2,500 invested in Government Promissory Notes. The debts were paid off during the Court's management. As the estate consisted of fractional shares in villages no improvements were undertaken. The ward having attained his majority on the 20th April, 1888, the estate was released on 1st May, 1888, when Government Promissory Notes for Rs. 2,000, together with a cash balance of Rs. 184 were made over to the proprietor.

Estates taken under charge.

4. The following estates which were fewer in number than those released were taken under charge by the Court of Wards during the year under report :—

Kunjpurá estate, Saharanpur district.—This estate, which is of considerable value, belonged to the Nawáb of Kunjpura in the Karna district of the Panjáb, who died in 1887, leaving a minor son, Ibrahim Ali Khan. The bulk of the property was taken under the superintendence of the Panjáb Court of Wards, and that portion of it, situated in the districts of Saháranpur and Muzaffarnagar of the North-Western Provinces, was placed under the management of the N.-W. P. Court of Wards, the Deputy Commissioner of Karnal being appointed manager under section 199 of Act XIX. of 1873 (*Vide* G. O. No. $\frac{864}{1.-200A}$ dated 25th June, 1887). The N.-W. P. portion of the estate consists of seven whole villages or shares of villages, and the Government demand for land-revenue and cesses amounts to Rs. 2,767 per annum.

Bhandura estate, Muzaffarnagar district.—This is another estate of some importance. It is situated partly in Bengal and partly in the Muzaffarnagar district of the North-Western Provinces. It was owned by Saiyid Raza Ali Khan, Bahadur, who belonged to a well known Muhammadan family of the Barah Saiyids. He died at Purneah on the 24th January, 1888, leaving his widow, Musammat Kamr-un-nisa Begam, and five minor children, *viz.*:—

1. Asad Raza, aged 14 years.
2. Iqbal Raza, aged 12 years.
3. Husaini Begam, aged 10 years.
4. Baqar Raza, aged 7 years.
5. Banno Begam, aged 5 years.

Saiyid Raza Ali Khan had executed a will, dated 22nd May, 1882, wherein he expressed a wish that his estates should on his demise come under the management of the Court of Wards. Under this will the widow and the eldest son of the deceased were alone interested in the Bengal estates, the other children being provided for by the assignment to each of specified villages belonging to the Muzaffarnagar portion of the estate and similar provision being made for the deceased's brother, Saiyid Wilayat Ali, and for a posthumous child of the deceased by a concubine, Musammat Nasri. Accordingly the bulk of the property was taken under the charge of the Bengal Court of Wards, and the portion situated in the Muzaffarnagar district of the North-Western Provinces was placed under the management of the N.-W. P. Court of Wards, Musammat Kamr-un-nisa being declared disqualified from managing her estate under clause (*g*), section 194, Act XIX of 1873 (*vide* correspondence ending with G. O. No. 1349, dated 13th September, 1888). The N.-W. P. portion of the property consists of five whole villages and shares in 24 others besides houses, gold and silver ornaments, animals, furniture, &c. The income of this property is Rs. 41,089 and the Government demand for revenue and cesses Rs. 18,313. The estate is not only free from debt, but the debts due to it, when superintendence was assumed, amounted to Rs. 30,102.

Ratheri estate, Muzaffarnagar district.—This estate was made over to the Collector for management under Act XL. of 1858, by order of the Judge of Saháranpur. It is composed of shares in four villages and is owned by Azmat Ali Khan, a minor. The income of the property is estimated at Rs. 142, and the Government demand for revenue and cesses at Rs. 45. When charge was assumed the debts due from the estate amounted to Rs. 451.

Karana estate, Muzaffarnagar district.—This estate, which is owned by Dharma Mal and Mulla Mal, lunatics, was made over to the Collector for management under section 9, Act XXXV of 1858, by order of the Judge of Saháranpur, dated 27th May, 1887. It consists of a share in one village, two houses, and shares in two other houses. The estimated income of the property is Rs. 59 per annum. The lunatic wards are under the care of Sumer Chand, who has been also entrusted with the management of the property, subject to the control of the Collector. The estate is free from debt.

Alexander Skinner's estate, Bulandshahr district.—The late Alexander Skinner owned a one-fifth share, both in the ancestral and non-ancestral property comprising the Skinner estate situated in the districts of Bulandshahr and Meerut, of the North

Western Provinces; and in those of Sirsa, Hisar, Gurgaon, Karnal, and Delhi in the Panjáb; but in 1884 the share in the non-ancestral property was given up by him, and he remained in possession of a fifth share in the ancestral property only. He died in 1887 leaving nine children, of whom five were adults and four minors. The minors' share of the property was made over to the Collector for management under section 12, Act XL of 1858, by order of the Judge of Meerut, dated 14th November, 1887. In May, 1887, Mrs. Ingram and others, owners of two-fifths and upwards of the Skinner estate, brought a suit for partition of their share in the Court of the Judge of Delhi, and one Mr. Kinloch was appointed by that Court to value the estates and divide them into five equal shares. At the time of the issue of the order of the Judge of Meerut, directing the Collector to assume charge of the minors' share in the property, Mr. Kinloch was managing the entire estate; and it had yet to be ascertained whether the share assigned to the children of the late Alexander Skinner consisted entirely of property in the Bulandshahr district or whether any part of it was situated in a district of the Panjáb. Enquiries were being made into this point when Mr. R. H. Skinner, the eldest son of the late Alexander Skinner, filed an appeal in the High Court of the North-Western Provinces, from the order of the Judge of Meerut of 14th November, 1887, referred to above. This appeal was on 29th March, 1888, decreed by the High Court in favour of Mr. R. H. Skinner, who was appointed by that court as guardian of the minor, and the estate was accordingly made over to him on 19th January, 1889. As the property was released after the close of 1887-88, this estate has not been included in the list of those estates released during the year.

Ghuthena estate, Farukhabad district.—This small estate, which is owned by Tej Singh, minor, was taken under the management of the Court of Wards under clause (*b*), section 194, Act XIX of 1873, on 1st February, 1888. The property comprised a share in a village, the net profit of which amounts to Rs. 134. The debts due from the estate are estimated at Rs. 703. The ward is being educated at the tahsíl school.

Harchandpur estate, Etáwah district.—This estate originally belonged to one Laik Singh who was by G. O. Nos. 1434, 464 and 970, dated respectively the 10th October, 1859, 9th May and 7th August, 1860, rewarded with a grant of 17 whole villages or shares of villages in the Etáwah district, for loyal services rendered during the mutiny. On the death of Laik Singh he was succeeded by his nephew, Pirthi Singh, an imbecile. Pirthi Singh died childless in October, 1887, and was succeeded by his widow, Musammat Raj Kunwar, who was at her own request declared disqualified from managing her estate under clause (*g*), section 194 of Act XIX of 1873, by G. O. No. $\frac{1126}{1\text{-}371\ A.}$ dated 16th August, 1888. The property is now composed of 24 villages in the Etáwah district and one village in Hamírpur. The income is estimated at Rs. 48,000, and the Government demand for land revenue and cesses at Rs. 28,500. The debts due from the estate amount to Rs. 2,11,382. To reduce these debts the sale of a portion of the property is under consideration. When charge was first assumed the affairs of the estate were in great confusion, but through the exertions of Mr. Alexander, the Collector of Etáwah, considerable progress has been made in restoring them to order and the Board especially desire to place on record their appreciation of the careful attention he has given to the management of this property.

Kakrali estate, Moradabad district.—This estate was placed under charge of the Collector of Moradabad in accordance with the provisions of section 5, Regulation V, of 1799, and sections 2 and 3 of Regulation V of 1827, by order of the Judge of Moradabad, dated 25th April 1888. The property which consists of one biswa share in a village yields a net profit of only Rs. 28 per annum. The late owner, Musammat Kausila, having recently died intestate, the Board have instructed the Collector to retain charge of the property for one year, and if, by the end of this period, no claimant appears, to take steps to enforce the right of Government to the property as an escheat.

Bamrauli estate, Pilibhít district.—This estate, consisting of 16 villages or shares in villages in the Pilibhít and Sháhjahánpur districts, is owned by three minors, Bilas

Singh, Gajraj Singh, and Mahtab Singh, and three adults, Musammats Hulas Kunwar, Dharam Kunwar, and Durga Kunwar. The shares held by the minors in the property were taken under management under clause (*b*), and those held by the adults, under clause (*a*), section 194 of Act XIX of 1873, under the authority of Government, conveyed in G. O. No. $\frac{1004}{1-396A}$, of 20th July, 1888. The income of the property is estimated at Rs. 5,353, and the Government demand for revenue and cesses at Rs. 3,648. When charge was assumed the debts due from the estate amounted to Rs. 12,000, and the Government demand for revenue and cesses was in arrears to the amount of Rs. 2,175.

Lakshmi Narayan's estate, Ghâzipur district.—This estate was made over to the Collector for management under Act XL of 1858, by order of the Judge of Ghâzipur, dated 25th June, 1888. It is composed of shares in 15 villages, and is owned by Lakshmi Narain, a minor. The income of the property is estimated at Rs. 2,817, and the Government demand for revenue and cesses at Rs. 835. The estate is free from debt.

Dhagwan Khurd estate No. II, Jalaun district.—This estate is owned by a minor named Raghuraj Singh, and was at the request of the minor's relatives placed under the superintendence of the Court of Wards, under section 12, Act XL of 1858, by order of the Deputy Commissioner, vested with the powers of a Civil Judge, dated 5th May 1888. It consists of shares in two villages, a dwelling-house, and a cattle shed, and has an income of Rs. 2,162 per annum. The ward, who is a cousin of the ward of the Dhagwan Khurd Estate No. I, is only five years of age, and lives with his mother at Dhagwan.

Classification of estates.

5. The estates under the superintendence of the Court of Wards were held under the following clauses of section 194, Act XIX of 1873 :—

Clause.	Number of estates.
(*a*) Females deemed by the Local Government incompetent to manage their estates ...	9
(*b*) Minors ... { Estates made over by Civil Court	41
(*b*) Minors ... { Estates taken by the Court of Wards on its own motion	41
(*c*) Idiots	1
(*d*) Lunatics	4
(*e*) Persons otherwise rendered incapable by physical defects or infirmities from managing their estates	1
(*g*) Persons declared by the Local Government, on their own application, to be disqualified from managing their estates	39
Total ...	136

The difference between 136 shown in the above list and 115, the actual number of estates held under management as shown in Statement II, is due to the fact that several estates come under more clauses than one.

Modifications in statements.

6. In pursuance of the observations recorded by Government in paragraph 7 of G. O. No. $\frac{1017}{1-427}$, dated 24th July, 1888, reviewing the report for 1886-87, and in accordance with the instructions contained in G. O. No. $\frac{1507}{1-427}$ of 1st October last, an additional column has been added as column 19 to Statement III, with the heading "advance collections," *i.e.*, collections made in the preceding year on account of the year under report. The advance collections made in the year under report on account of the following year are included in the miscellaneous income shown in column 16 of Statement IV. In order to show the percentage of Government revenue to the total rental receipts of the year, the heading of column 26 of Statement IV has also been altered, so as to include in the calculation the collections made in the preceding year on account of the year under report. The totals of columns 9 and 10 of Statement IV now agree with the total of column 10 of Statement III.

Release of estates held solely with a view to clear off their liabilities.

7. The policy of Government of releasing estates held solely with the object of clearing off their liabilities continued to be kept in view by the Junior Member. Of estates so held, Karwi and Masud Bibi estates in Bánda, Biharipur in Sháhjahánpur, Uncha in Etáwah, and Pankigangaganj in Cawnpore were released during the year under report. The release of the Dube estate in Jaunpur has, on the Boards' recommendation, been also sanctioned by Government, with effect from 1st October next, in G. O. No. $\frac{641}{I-513A}$, dated 7th May, 1889, and that of Faiyaz Ali's estate in Allahabad by order of the Civil Court, with effect from 1st October, 1889.

Extent of landed property of estates.

8. The subjoined table will show that the extent of the landed property under the Court of Wards has steadily declined since 1885-86:—

Year.	Revenue-paying.			Revenue-free.		
	Whole villages.	Shares.	Patches	Whole villages	Shares.	Patches.
1885-86	1,493	1,700	4	9	76	4

1885-86	19,92,916	9,36,842	1,17,201	10,54,043

11. The rental demand for the year amounted to Rs. 16,87,018, and the arrears of previous years to Rs. 1,38,757. The collections on account of the current demand were Rs. 15,56,987 and of arrears Rs. 66,088. The demand and collections by divisions are shown in the subjoined table:—

12. The percentages of the collection to demand by Divisions were:— **Percentages of collections.**

Division.	Percentages of Collections to total demand.					
	1886-87.			1887-88.		
	Current.	Arrears.	Total.	Current.	Arrears.	Total.
Meerut	95	79	94	96	77	94
Agra	94	30	91	93	30	88
Rohilkhand	94	39	89	93	41	89
Allahabad	91	29	86	92	44	89
Benares	92	49	88	91	56	88
Jhánsi	98	67	97	97	26	95

The percentages of total collections and of the current and arrear demands were nearly the same for both years in the Meerut, Rohilkhand, and Benares Divisions; but there was a falling off in the total collections in the Agra and Jhánsi Divisions. In the Agra Division this is due chiefly to short collections in the Arjunpur and Karauli estates in Mainpuri and Harchandpur estate in Etáwah. The villages of the Arjunpur estate suffered severely during the past year owing to the rise of the water level in the Kali Nadi, and also to the closure of the Betwa Canal. Consequently it was not advisable to put undue pressure on the tenants of this estate, nor on those of the Karauli estate, who were generally in straitened circumstances. It is anticipated that during the current year better results will be shown as regards these two estates. The short collections in the Harchandpur estate are to be attributed to the disorder its affairs were in when charge was assumed during the year.

The falling off in the collection of both the current and arrear demands in the Jhánsi Division occurred chiefly in the Kukargaon estate in the Jalaun district. In this estate the outturn of the two harvests was an indifferent one; and as the defaulters generally were in poor circumstances, it was not considered expedient to press the collections.

The percentages of collections in the Allahabad Division during the year were better than in 1886-87.

13. The table below shows the balances aggregating Rs. 2,00,383 as classified by Divisions:— **Balances.**

Division.	Balance.				Percentage of irrecoverable balance to total demand.
	Recoverable.	Doubtful.	Irrecoverable	Total.	
Meerut	7,373	31	812	8,216	·6
Agra	14,069	2,413	4,478	20,960	2·7
Rohilkhand	28,044	4,075	1,544	33,663	·5
Allahabad	77,984	8,187	8,072	94,243	·9
Benares	39,123	884	2,503	42,510	·7
Jhánsi	744	14	34	792	·2
Total ...	1,67,337	15,604	17,443	2,00,384	1

As stated in the preceding paragraph the balances in the Agra Division were swelled by reason of short collections in the Arjunpur, Karauli, and Harchandpur estates.

The total balance in the Allahabad Division shown in the above table includes a large item of Rs. 50,165 in the Dubé estate in Jaunpur which could not be realised during the year, partly on account of the failure of the indigo harvest, caused by the heavy rains of the year, and of the poor outturn of the rábi crop in certain villages of the estate lying in the Azamgarh district, but chiefly owing to the fact that Raja Harihar Dat Dubé and his servants spread the report among the tenants that the estate was about to be released from the superintendence of the Court of Wards. Of the Rs. 50,165, an irrecoverable item of Rs. 3,226 was remitted, and the balance is reported to be in train of realization.

Interest on Government Securities.

14. The interest on investment in Government and other securities amounted to Rs. 26,915, as compared with Rs. 27,117 realised in 1886-87. This decrease is due chiefly to the sale of Government Promissory Notes for Rs. 62,361, belonging to the Rawatpur estate in Cawnpore. The sale proceeds went towards the purchase of landed property for this estate.

Other receipts of the year.

15. The other receipts of the year amounted to Rs. 4,49,616: the details are quoted below :—

		Rs.
(1)	Court of Wards and other loans	1,800
(2)	Debts recovered	1,23,437
(3)	Takavi advances recovered	6,905
(4)	Occupiers' rate	28,869
(5)	Sale proceeds of land and houses	82,320
(6)	Sale proceeds of Government and other Securities ...	89,416
(7)	Miscellaneous receipts	1,16,869
	Total ...	4,49,616

The total receipts from all sources amounted to Rs. 21,10,755, and the cash balance in hand at the commencement of the year being Rs. 2,07,218, the income available for expenditure was Rs. 23,17,973.

Expenditure.—Land revenue and cesses.

16. On the expenditure side of the accounts the first item calling for notice is the the "Government demand for land revenue" under which Rs. 7,90,110 were paid. Rs. 97,713 also were paid during the year on account of "cesses." The percentage of the land revenue to the rental receipts from revenue-paying land is 49.

With the exception of Rs. 1,236 on account of land revenue and Rs. 77 on account of cesses which remained in arrears from the six estates shown in Statement XI, all Government demands for revenue and cesses were paid in full.

The greater portion of the arrears shown in Statement XI was due from the Chirgaon estate in Jhánsi and Bamrauli estate in Pilibhit. The demand for revenue in respect of the Chirgaon estate, which could not be paid during the year owing to the discontinuance of the pension which the late proprietor of the estate (Rao Dalip Singh) received from Government, has since been paid in full—a pension of Rs. 100 having been subsequently granted to his widow, Musammat Dip Kunwar, by G. O. No. 1775G, of 19th September, 1888. The Government demand for land revenue and cesses on account of Bamrauli estate could not be paid in full as the estate was placed under the management of the Court of Wards only during the year under report.

Owners' and occupiers' rates.

17. The items of Rs. 1,913 and Rs. 29,538, paid to Government as owners' and occupiers' rates respectively, call for no special remarks.

Cost of management.

18. The management charges of the year amounted to Rs. 1,32,857, which falls at the rate of 7 per cent. on the receipts shown in columns 7 to 13 and column 16 of Statement IV.

Special scheme of management.

As in 1886-87 so also during the year under report the special scheme of management was in force in the following districts :—

Bijnor.	Jaunpur.
Cawnpore.	Ghazipur.
Allahabad.	Gorakhpur.

The income, cost of managemement, and the percentages of the latter to the former for the above districts are shown in the following table :—

District.	Income for 1887-88, exclusive of opening balance, receipts from loans and sale proceeds of land and houses and Government Securities.	Cost of special management.	Percentage of cost of special management.	Remarks.
	Rs.	Rs.		
Bijnor* ...	1,18,551	5,340	4·5	* Since the release of the Sherkot estate in August, 1886, a Manager on Rs. 120 per mensem only has been employed
Cawnpore ...	95,..29	7,808	8·2	
Allahabad ...	4,31,975	25,199	5·8 †	† These figures relate to Court of Wards estates alone. Estates managed under sections 323 and 326 of the Civil Procedure Code and State properties also pay their quota of the cost.
Jaunpur ...	2,56,371	17,960	7	
Gházipur ...	57,971	4,161	7·7 †	
Gorakhpur ...	2,13,689	16,088	6·6	

The scheme in question continues to work successfully, and the Collectors and Commissioners concerned have again recommended its continuance.

The work of the following special managers was commended by the Junior Member :—Munshi Zainul-Abdin, Mr. Ricketts, Munshi Inderjit Lal, and Babu Shib Narain Das.

The system of management in Banda remained unaltered during the year and is reported to have worked well. The total cost of management in Banda amounted to Rs. 5,209, which falls at 6 per cent. on the rent-roll of Rs. 86,747. The decrease of the rent-roll of the year as against that of 1886-87 is due chiefly to the release of the Karwi and Musammat Masud Bibi estates during the year.

I am to add that in pursuance of the observations recorded by Government in paragraph 8 of G. O. No. $\frac{\text{III A}}{1-427}$, of 8th November, 1887, reviewing the Board's Court of Wards Report for 1885-86, a scheme of special management has, since the close of the year of report, been introduced on the recommendations of the Collector and Commissioner in the Muzaffarnagar district. The result of the working of this scheme will be reported to Government in the Board's report for 1888-89.

Miscellaneous charges.

19. The miscellaneous expenditure, including law expenses, ordinary repairs, interest on debts and loans and voluntary patwári rate amounted to Rs. 1,85,486 as against Rs. 2,28,152 in the preceding year. The larger payments of interest on debts due from the Sarai Mir and Majhauli estates in the Benares Division abnormally swelled this expenditure during 1886-87.

Personal expenses of proprietors.

20. Rupees 1,45,194 were paid during the year on account of "personal ordinary" as compared with Rs. 1,49,556 paid in 1886-87, and Rs. 58,439 were paid on account of "personal extraordinary expenses" as against Rs. 33,137 in the previous year. The payment of Rs. 5,000 on account of marriage expenses of the Ward Khurshed Ali Khan, of the Karam Ali Khan estate, in the Meerut Division, accounts for the excess over the last year's expenditure under this head.

The percentage of this expenditure to the net profits is 19 as against 16 in 1886-87.

Education and Wards Institute.

21. The educational charges of the year amounted to Rs. 18,878 as compared with Rs. 19,779 in the previous year. The removal from the Wards Institute at Agra of the Ward Baldeo Singh, of the Khimsipur estate in the Agra Division, who died in August, 1887, accounts for this decrease.

The general charges for superintendence, establishment, &c., of the Wards Institution, at Agra, for the year ending 31st December last, amounted to Rs. 9,180, and the private expenses of the wards to Rs. 4,830, as against Rs. 9,990 and Rs. 5,492 respectively in the preceding year.

The subjoined table contains the names of the wards who have been in the institute during the year :—

District.	Name of estate.	Name of Ward.
Meerut	Karam Ali Khan ...	Khurshed Ali Khan.
	Ram Saran Das ...	Banarsi Das.
Agra	Parna	Dewán Ram Ratan Singh.
Mainpuri	Karauli	Lal Ishri Parshad Narain Singh.
Bareilly	Begam Mashuk Mahál ...	Nawab Muhammad Husain Khan.
Hardoi (Oudh) ...	Marwan	Rai Bishambar Nath.
Do. (Oudh) ...	Khajurahra	Thakur Shankar Bakhsh.
Bahraich (Oudh) ...	Rehwa	Rája Munna Sahab.
Bara Banki (Oudh) ...	Pokra Unsari	Rája Bhagwan Bakhsh.
Sultanpur (Oudh) ...	Walipur	Rája Partap Bahadur Singh.

At the commencement of the year Mr. F. L. Thomson was appointed Superintendent of the Wards Institute on the recommendation of the Director of Public Instruction, North-Western Provinces and Oudh. As stated in paragraph 21 of the

Boards' Court of Wards Report for 1886-87, Mr. Thomson combines with his duties as Superintendent of the Institute, those of a Professor at the Agra College (*vide* correspondence ending with this office No. $\frac{1899N.}{1,}$, dated 4th October, 1888).

Improvements.

22. Improvements were undertaken in 35 out of the 115 estates under the Court's management at a cost of Rs. 54,865. Full details of the works are given in Statement VI.

The report of the Director of Land Records and Agriculture, which used to be printed as Appendix B to this report, has now been discontinued by G. O. No. $\frac{1339}{I-295A}$, dated 14th September, 1888.

Takávi advances.

23. In 22 estates takávi advances, aggregating Rs. 7,642, were made to tenants during the year.

Repayment of loans.

24. Rupees 2,11,471 were repaid during the year towards liquidation of principal of loans made by the Court of Wards or Government on account of other debts due from the several encumbered estates under the Court's management. The details of the payment are :—

	Rs.
Towards Court of Wards or State loans	94,171
Other debts	1,47,300

The balances of these loans and debts due at the close of the year amounted to Rs. 11,13,930. The progress made in repayment of these debts, since the estates concerned were placed under the superintendence of the Court of Wards, is shown in Statement VII, an abstract of which is given below :—

	Rs.
Debts due when superintendence was first assumed	40,60,152
Incurred after superintendence was assumed	15,13,228
Total ...	55,73,380

Of the Rs. 55,73,380, Rs. 44,59,451 were repaid, *viz.*:—

	Rs.
By incurring other debts or by sale of property	21,68,693
From cash balance in hand or otherwise	22,90,758

leaving a balance of Rs. 11,13,930 as shown above.

Court of Wards' loans.

25. Rupees 11,022 were advanced during the year by the Court of Wards from one estate to another or to private individuals (*vide* column 16 of Statement V).

26. The total arrears due at the close of the year from one Court of Wards estate to another amounted to Rs. 1,658, as per details given in columns 15 to 17 of Statement VIII.

State loans

Of the State loans, the arrears due from the Arjunpur estate amounted to Rs. 9,373. This sum could not be repaid owing to short collectioms noticed in pa graph 12 above.

Investments.

27. The surplus funds of the several estates under the Court were invested as follows :—

	Rs.
In Government securities	1,15,486
In landed property and houses	83,772
Total ...	1,99,258

Closing cash balance.

28. The total expenditure of the year amounted to Rs. 19,74,387 and the cash balance in hand at its close to Rs. 3,43,586.

Notices of ejectments.

29. Three hundred and twenty three notices of ejectment were issued during the year under section 36, Act XII of 1887 in respect of 2,080 acres of land. Of these 24 notices were contested successfully and 45 unsuccessfully. In 177 cases tenants relinquished their holdings without contest, and in 64 they were permitted to continue in possession at enhanced rents.

30. Twenty-six applications for enhancement of rent were made during the year affecting 62 tenants, the area to which the applications referred being 269 acres in five estates. The rents were raised from Rs. 729 to Rs. 1,105. **Applications for enhancement of rents.**

31. The civil litigation of the several Court of Wards' estates will as usual be dealt with in the Legal Remembrancer's Report to Government; but as promised in paragraph 33 of the last year's report, a return showing what portion of the amounts decreed in favour of the Court of Wards was realized or remitted during the year of report, and also the sums outstanding on the 1st October, 1888, accompanies this report as Appendix XVII. The return was not submitted to the Board by the Legal Remembrancer till 27th May, 1889. **Civil litigation.**

32. The year's management of the estates has been, on the whole, eminently satisfactory, and Mr. Quinton desires me to mention the names of the following officers who particularly interested themselves in this branch of their work. **Conclusion.**

Mr. R. S. Whiteway, Meerut, Mr. A. M. Markham, Muzaffarnagar, Mr. F. W. Porter, Allahabad, Mr J. Denman, Gorakhpur, Mr. E. Rose, Ghâzipur, Mr. E. B. Alexander, Etâwah, and Messrs. L. G. Evans and H. D. Moule, Cawnpore.

33. Statements XIII to XVI show the accounts of the several Benevolent Trusts, and the year's management of the Trusts is noticed in Appendix A.

34. I am to add that although this report is issued in the name of the Hon'ble J. W. Quinton, the Department was, during the year, partly in his charge and partly in the charge of Mr. J. C. Robertson, the late Officiating Junior Member.

I have the honor to be,

SIR,

Your most obedient servant,

C. J. CONNELL,

Secretary.

APPENDIX A.

Benevolent Trusts, North-Western Provinces.

The same number of charitable and other trusts were on the Board's list during the year as in 1886-87. Statements XIII to XV, appended to this report, show the accounts of these Trusts.

Including an opening cash balance of Rs. 13,632, the total available income of the year amounted to Rs. 51,945, and the total expenditure to Rs. 36,787. The cash balance at the close of the year was thus Rs. 15,158.

ORDERS OF GOVERNMENT.

No. $\frac{1254}{1-427}$ OF 1889.

FROM

THE CHIEF SECRETARY TO GOVERNMENT,
N.-W. PROVINCES AND OUDH,

TO

THE SECRETARY TO THE BOARD OF REVENUE,
NORTH-WESTERN PROVINCES.

DATED NAINI TAL, THE 22ND AUGUST, 1889.

SIR,

REVENUE DEPT.

I AM directed to acknowledge your No. $\frac{508}{X-146}$, dated 21st May, 1889, being the report on the administration of the estates under the superintendence of the Court of Wards of the North-Western Provinces for the revenue year ending on 30th September, 1888.

2. The report reached the Government on the 15th July, 1889. It deals with 115 estates, of which 104 were in the charge of the Court at the close of 1886-87, and 11, with a rental of Rs. 53,054, were taken under management during the year. Of the latter, the Harchandpur estate in the Etáwah district and Bhandura estate in the Muzaffarnagar district are the most important: the former has a rent-roll of Rs. 23,527, and was heavily encumbered with debt. The Kakrali estate was received from the Judge of Moradabad under Regulations V of 1797 and V of 1827, there being no claimant. The lambardár is said to make over the net profits (Rs. 28 per annum) to the Collector. The estate of Alexander Skinner, made over by the Civil Court, was only nominally under management; the returns, with the exception of an entry of Rs. 128 cash balance, were entirely blank.

3. Twelve estates, having a rental of Rs. 74,631, were released in the course of the year, leaving 103 under management at its close. Of the released estates seven belonged to minors whose estates were either handed over to them on their attaining majority, or to their guardians under order of the Civil Court: four, which had been held on behalf of disqualified proprietors with a view to clearing off their liabilities, were released, free from debt, with the exception of the Uncha estate, which, though still in debt, was handed over to the proprietor at his request. The estate of Manawar Ali, which had been under management for 25 years, was released on the death of the proprietor, who was a lunatic.

4. The total income, expenditure, and balances of the estates are shown in the subjoined table :—

	Rs.		Rs.
Cash balance at the close of last year ...	2,07,218		
Receipts during the year ...	21,10,755	Rents of land ...	16,23,075
		Other receipts ...	4,87,680
Net income ...	23,17,973		
Total expenditure ...	19,74,387	Chargeable to profits ...	12,37,618
		Personal and miscellaneous ...	7,36,769
Cash balance in hand at close of the year ...	3,43,586		

5. The total demands of rent, current and arrears (Statement No. III), amounted to 18½ lakhs of rupees, of which Rs. 16,23,075 were collected, being 48 per cent. in the case of arrears, and 92 per cent. in the case of current rents, as compared with the percentages of 37 and 92 respectively of the previous year. The more important cases of short collection are explained by the Board. In every Division except Jhánsi, the collections, more especially of current rent, should have been better; and the percen tage of irrecoverable balances in the Agra Division, the explanation in your paragraph 12 notwithstanding, requires the Board's attention. They should be struck off, if there is no chance of recovery. The balances "recoverable" in the Rohilkhand, Allahabad, and Benares Divisions are heavy. In every Division except Meerut and Jhánsi more than 10 per cent. of the initial demand for current rent and arrears remained in balance at the end of the year. In addition to the cases specially mentioned in the report, it is noticed that the collections under both heads were still indifferent in the Azizganj estate in the Sháhjahánpur district. Of the total balances, amounting to Rs. 2,00,384, 8 per cent. are classed as irrecoverable.

6. The income from sources other than rent (Statement No. IV) amounted to Rs. 4,87,680, of which the greater portion was derived from debts recovered (Rs. 1,23,437) and miscellaneous receipts including interest on loans (Rs. 1,16,869). Under the former head the Begam Mashuk Mahal estate alone received Rs. 42,296, and the Partab Chand estate Rs. 20,830. The total income from sale proceeds of Government and other securities was abnormally swollen by the receipts of the Rawatpur estate, which sold out securities to the value of Rs. 62,361. More than half the total increase under sale proceeds of land and houses is credited to the Harchandpur estate, which received on this account Rs. 47,037, the property being presumably sold to pay off some of the debts of the estate, though the proceeds remained in hand at the close of the year. The large miscellaneous receipts of the Majhauli estate (Rs. 24,646) are again noticeable.

7. Of the total expenditure chargeable to profits, Rs. 12,37,618, the greater portion is debited to the payment of Government revenue, which fell at the average rate of 49 per cent. on the rental receipts. The high percentage of Government revenue to rental receipts in the Singhpur estate (118·) is noticeable, and apparently revision is required. A special report should be submitted on the cases of all estates in which the revenue exceeds two-thirds of the full rental. The cost of management amounted to Rs. 1,32,857, or 7 per cent. on the ordinary income, the same percentage as in the previous year. The special scheme of management remained in force during the year in the same six districts as in 1886-87: the cost in such districts fell at the average rate of 6·3 per cent. The high percentage (54·) in the Ghulam Raza Khan estate is doubtless due to the short collections owing to the release of the estate early in the year; but the reasons for the high percentages in the estates of Fida Husain (18·), Nagla Kisi (15·), and several others are unexplained, and should receive the early attention of the Board.

8. Rupees 10,80,355 were available as net profits for personal and miscellaneous expenditure (Statement No. V), under which heads Rs. 7,36,769 were actually spent. The ordinary and extraordinary personal expenditure amounted to Rs. 2,03,633, or 19 per cent. of the net profits; the reasons for the expenditure of the large sum—Rs. 33,334—shown under the head of "Extraordinary" against the Manawar Ali Khan estate should have been explained. Two minor wards, Lála Ishri Parshad Narayan Singh of Karauli, and Muhammad Husain Khan of Begam Mashuk Mahal estate, were sent to the Wards' Institute at Agra during the year in addition to those already at the institution, making the total number of boys from the North-Western Provinces five—not a large proportion from the 82 estates belonging to minors in charge of the Court of Wards. It is desirable that the Board's report should yearly include some notice of the state of the Institute, and of the progress of the wards who receive their education there. The total expenditure on education was Rs. 18,878, as compared with Rs. 19,779 in the previous year.

9. There was a decrease in the expenditure on works of improvement, which amounted during the year to Rs. 54,865 against Rs. 76,505 in 1886-87. The largest sums were spent in the following estates:—

	Rs.
Rawatpur	10,223
Dumri	6,499
Partab Chand	5,963
Dube	5,790

In the Rawatpur estate two-thirds of the money were devoted to the construction of wells, in pursuance of the scheme of irrigation which has been carried out for many years past. The improvements in Dube mostly consisted of repairs to the Rája's residence and garden-house; and in the Begam Mashuk Mahal estate they were chiefly confined, as in the previous year, to a remunerative investment in Bihia sugar-mills, upon which Rs. 2,300 were expended. The total expenditure under this head in the latter estate amounted to Rs. 3,300; and looking at the large surplus (Rs. 4,33,962), which included a cash balance of Rs. 60,388, much more should have been done in the way of improvements. The same remark applies to the Partab Chand estate, against which a surplus of Rs. 4,77,756 is recorded, and to many others, of which the following are the most noticeable:—

	Surplus.	*Cash balance.*	*Expenditure on improvements.*
	Rs.	Rs.	Rs.
Karam Ali Khan	76,821	17,648	3,599
Ram Saran Das	62,250	17,321	1,912
Khimsipur	39,989	9,107	*Nil.*
Karauli	59,181	7,267	2,814
Anapur	1,17,184	8,493	2,452

Out of 115 estates, improvements were only undertaken in 35, while 56 estates were free from debt, the majority of which had balances to their credit. The total expenditure shown under the head of arboriculture in the whole Province was Rs. 621, in addition to which Rs. 1,917 appear to have been spent on gardens and groves. The total expenditure on wells amounted to Rs. 25,819. It would be interesting to know whether the tenants on the wards' estates make improvements, and how far they are encouraged and assisted in this matter by the Collectors.

10. Rupees 2,41,471 were devoted during the year towards the reduction of debts of all kinds: the most noticeable items are Rs. 34,054 disbursed by the Sahanpur estate on this account, and Rs. 30,940 by the Dube estate. Ten estates* were entirely freed from debt during the year. The most heavily-encumbered estate now on the books is that of Bara, which shows a deficit of Rs. 2,14,361. The total balance of principal still due amounts to Rs. 11,13,930 (Statement No. VII); but this is raised to Rs. 11,16,674 by the inclusion of interest (Statement No. II).

* Parna.	Karwi.
Abdul Majid Khan.	Mussamat Masud Bibi.
Beharipur.	Shaikh Fayaz Ali.
Agona Buzurg.	Pathana.
Pankigangaganj.	Bansgaon.

11. During the year under review Government securities to the value of Rs. 1,15,486 were purchased, the Partab Chand estate being the largest purchaser (Rs. 52,500). The Rawatpur estate invested Rs. 64,766 in land, selling out promissory notes to nearly the same value. The cash balances in hand at the close of the year amounted to the large sum of Rs. 3,43,586, of which Rs. 60,388 stood at the credit of the Begam Mashuk Mahal estate alone, and endeavour has doubtless been made to secure suitable investments.

12. The rent litigation reported, *viz.*, that relating to ejectments and enhancements, is slightly in excess of that of the previous year. Notices of ejectment to the number of 323 were issued, of which 24 only were successfully contested. There were 26 applications for enhancement, in all of which apparently enhancement was decreed. The return of the rent decreed in the twelve cases of the Dube estate appears to be incorrect, as it is less than the previous rent, though the rate is said to have been raised. The result of the measures taken during the year to recover the demands on account of sums decreed in favour of estates is noted in a new Statement (No. XVII), which corresponds with Legal Remembrancer's Statement No. IV, appendix C. The total demand—principal, interest, and costs (Rs. 1,09,572)—consisted of Rs. 97,586 due at the commencement of the year and Rs. 11,986 awarded during the year: Rs. 14,833 were realised; and Rs. 6,665 remitted, leaving a balance of Rs. 88,085 uncollected at the close of the year, of which half is classed as recoverable. The success in the recovery of decrees is as usual inconsiderable. As the opening balances on the 1st October, 1887, do not always agree with the closing balances shown in the Legal Remembrancer's return for 1886-87, it is presumed that the latter are in such cases incorrect, and have been modified since the return was prepared.

13. The Government observes with surprise that Raghuraj Singh, owner of the Shahpur estate in the Allahabad district, disappeared in March, 1887, and that no trace of him has yet been discovered. It may be remarked that the proprietors of the Partab Chand, Akbarpur Sen, Pankigangaganj, Begam Mashuk Mahal, Marwan, and Rehwa estates are not entitled to the titles by which the Board refer to them in Statement No. I of the returns, and paragraphs 3 and 21 of the report.

14. The lists of benevolent and educational trusts contain the same endowments as in 1886-87. The total receipts and disbursements of benevolent trusts as compared with those of the previous year stand as follows :—

	1886-87.	1887-88
Receipts—	Rs.	Rs.
Opening balance	17,466	13,632*
Receipts	38,239	38,313
Total ...	55,705	51,945
Expenditure—		
(a) For trust purposes	27,868	28,046
(b) For other purposes	14,585	8,741
Total ...	42,453	36,787
Closing balance ...	13,252	15,158

Inclusive of Rs. 380 on account of a security deposit.

The opening balance of the year was smaller than in 1886-87 ; but the expenditure, chiefly under the head of Miscellaneous, being far less, the balance at the close of the year was larger than at its commencement. The list of educational endowments still contains four cases of annual donations which the Director of Public Instruction should have apparently excluded. The total assets amounted to Rs. 47,244, out of which Rs. 39,452 were spent in carrying out the wishes of the donors. The value of the Government paper which constitutes the endowment should invariably be entered in column 5 of Statement No. XVI: the detail has been omitted in several instances in the present return.

15. The Lieutenant-Governor and Chief Commissioner concurs in the opinion of the Board, that the year's management of estates under the Court of Wards has been, on the whole, eminently satisfactory, and notices with pleasure their commendation of the officers mentioned in paragraphs 18 and 32 of your report.

I have the honor to be,

SIR,

Your most obedient servant,

J. WOODBURN,

Chief Secy. to Govt., N.-W. P. and Oudh.
